Small Changes You Can Make to Reduce Your impact on Earth

Cassandra King

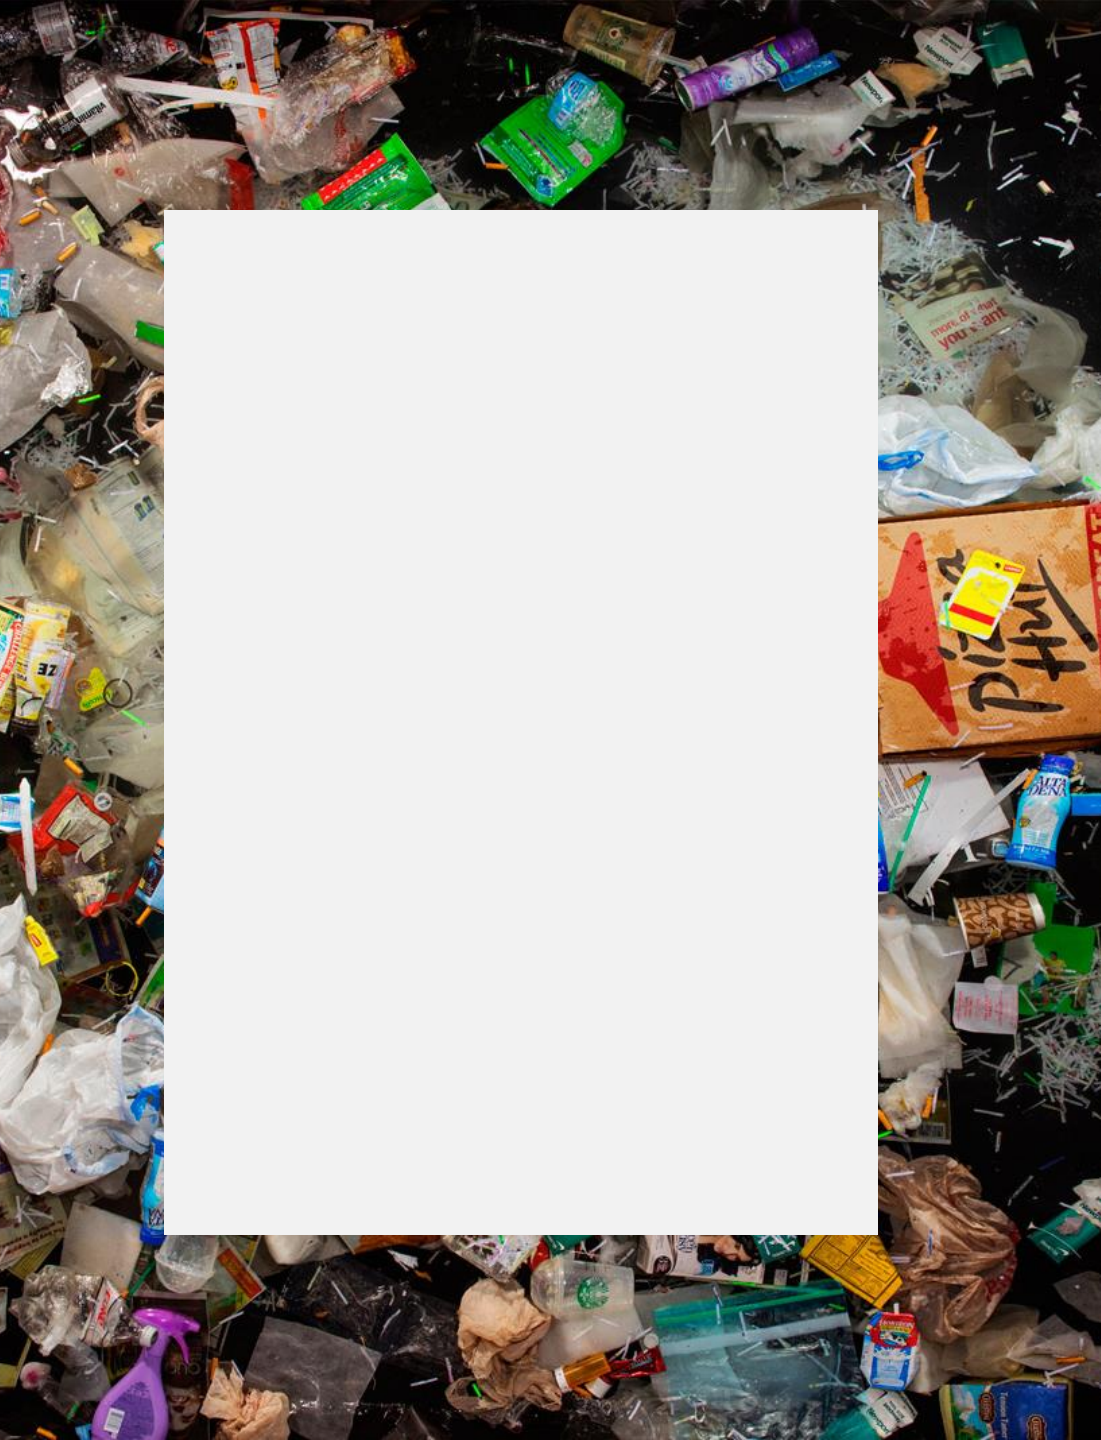

The planet we call home
is at

RISK

Of being overtaken with

GARBAGE

Americans alone generated
258 Million Tons
of waste in 2014

According the EPA

**AND
THE
PROBLEM
IS GETTING
BIGGER**

Americans
throw away

2.5 million

plastic bottles

every hour

According to Recycle Across America

and toss

100 Billion
plastic bags each year

One day, earth could become
uninhabitable

But you can help

by making some small, simple changes

Battle Bottles!

Reuse a
glass water bottle
to cut down on plastic consumption

Banish Bags!

Bring cloth shopping bags

so you use fewer plastic ones at the store

Pay Attention to Packaging!

Look for eco-friendly
packaging

or products with little to no packaging

Support Sustainable!

CHILDREN'S TABLEWARE • MADE IN THE USA

Buy products made
from recycled materials
to support eco-friendly companies

Remember to Recycle!

Recycle anything you don't reuse
so your trash can be reinvented
