

# We are all fish in the sea!

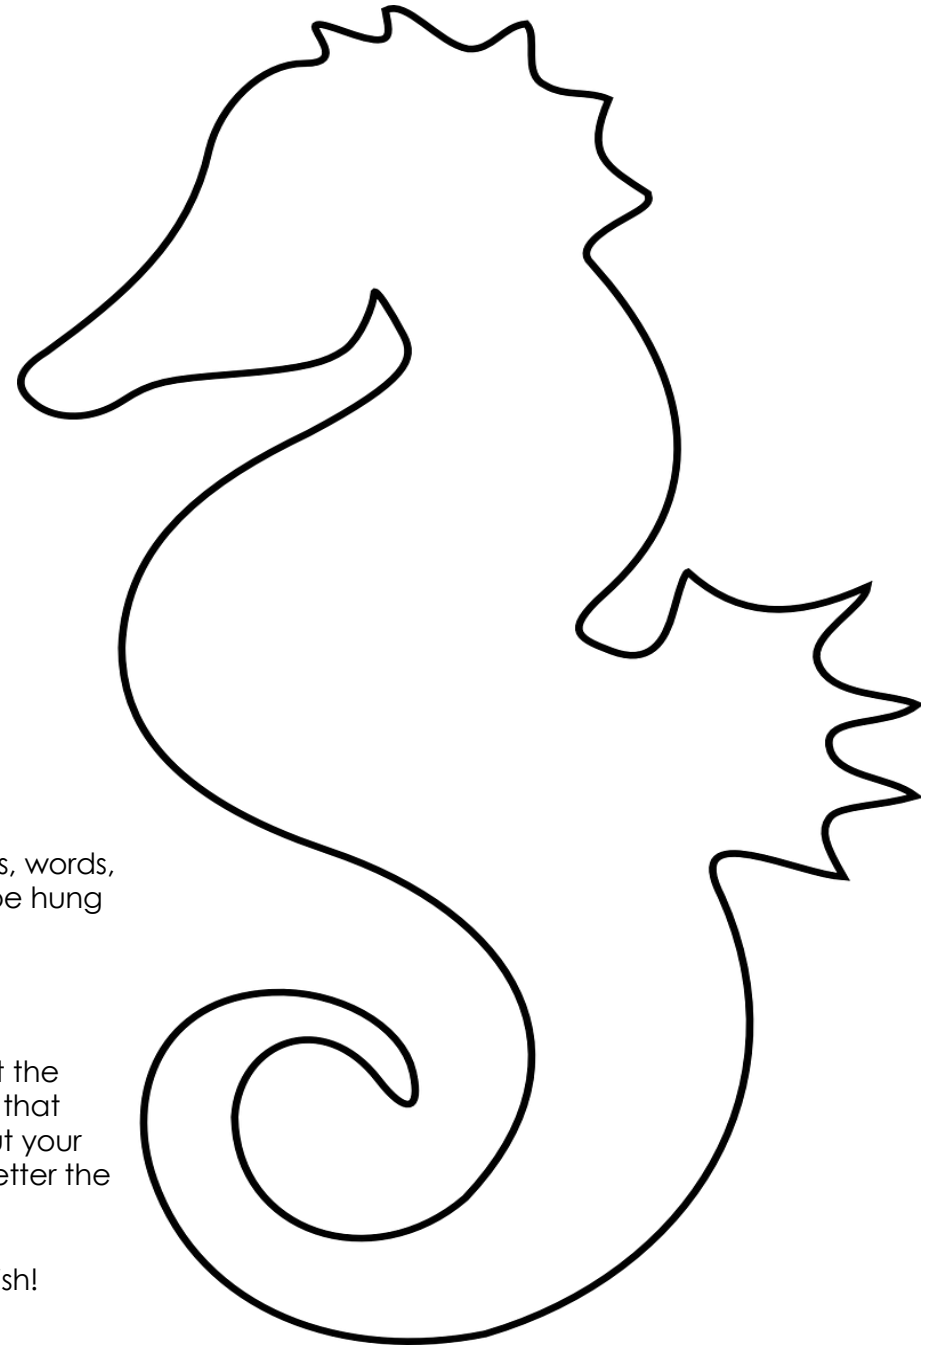

Decorate your fish with colors, shapes, pictures, doodles, words, etc. that represent you. Be neat because your fish will be hung on the wall!

Cut out your fish when you're finished.

In one paragraph: On the back of your fish, write about the something (personality trait, talent, characteristic, etc.) that makes you unique and why. Discuss what you like about your uniqueness and how you can use that uniqueness to better the world (or our school).

Don't forget to include your name on the back of the fish!
